"You," the "Applicant" (both terms include the business entity as well as all of the individuals named above), certify to us that you are applying for credit for business reasons, and not for personal, family or household purposes. Applicant authorizes Panoply Finance, its designates, affiliates, successors and assigns to obtain information from others concerning Applicant's credit and trade standing, including Applicant's personal credit report, and other relevant information impacting this application, and if the Lease is approved, from time to time during the term of the transaction. In addition to the information requested on this application, may subsequently request additional information from Applicant. Important Information: Except as otherwise prohibited by law, you agree and consent that the Designates, affiliates, successors and assigns of Panoply Finance (collectively "Panoply") may share all information about you that Panoply has or may obtain for the purposes, among other things, of evaluating credit applications or offering you products or services that Panoply believes may be of interest to you. Under the Fair Credit Reporting Act there is certain credit information that cannot be shared about you (unless you are a business) if you tell Panoply by writing to Panoply Finance, designates, affiliates, successors and assigns. Attention: Office of Consumer Privacy, please provide your name, address, social security number and account number(s). As an authorized agent of the applicant company, you represent that you have reviewed this document and the information herein is true, correct and complete. A photo static copy of this authorization shall be as valid as the original. Ohio Residents Only: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law. New York Residents Only: A consumer report may be requested in conjunction with this application. Upon your request, you will be informed whether or not a consumer report was requested and if such report was requested, informed of the name and address of the consumer reporting agency that furnished the report. Subsequent consumer reports may be requested or utilized in connection with an update, renewal or extension of the credit for which this application is made. Vermont Residents Only: You authorize Panoply, designates, affiliates, successors and assigns to obtain credit reports about you now and in the future for all legitimate purposes associated with this application or the account including, but not limited to: (a) evaluating this application; and (b) renewing, reviewing, modifying, and taking collection action on the account. Important Information About Procedures for Opening A New Account: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, business documents, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
